All of these natural wonders and more are on offer in this exceptionally diverse African nation. Visitors typically visit Tanzania to partake in at least one of the four well-known Tanzanian tourist experiences: a relaxing seaside vacation on the picturesque island paradise of Zanzibar, an underwater tour of some of the world's most renowned dive sites around the gorgeous Spice Islands, a safari adventure in some of Africa's most impressive game reserves, or a hiking excursion around Mount Kilimanjaro National Park. Whichever of these incredible holidays you choose, you will undoubtedly be welcomed by some fabulously friendly and peaceful inhabitants who, despite being divided into 120 different ethnic groups and cultures, live in harmony with one another and provide some of the most wonderfully exotic local cuisine you could imagine. Terms and Conditions

| Itinerary Terms and Conditions

1. **RESERVATIONS** A 30% non-refundable deposit and completed **Personal Information and Release Form** will reserve a place for you on our trips. Deposits and trip payments may be made by check, PayPal or bank transfer in US Dollars. Significant savings are realized if paying by check or bank transfer. An incremental payment schedule will be provided, and full payment of the trip fee is due 120 days prior to departure date, except as otherwise specified. If payments are not received when due, we reserve the right to treat your reservation as cancelled, as if in writing, as per our cancellation and refunds policy in item 2 below. Trip fees are quoted in US dollars and must be paid in US dollars.
2. **CANCELLATIONS AND REFUNDS**
3. We must receive written notice of your cancellation, at which time the following are nonrefundable:
 1. 121 days or more before departure: 30% of trip fee
 2. 120 to 100 days before departure: 50% of trip fee
 3. 99 or fewer days before departure: 100% of trip fee

No partial refunds are made for unused portions or services of a trip for any reason whatsoever. Trips are sold as a package only. This policy also applies to tour extensions and independent travel arrangements. Cancellation fees are not transferable.

1. **HEALTH CONSIDERATIONS** Adventure Safari Network excursions are within the capabilities of individuals in good health. Some of these trips require the capability of walking for several miles over uneven trails, stepping from a small boat to a wave-washed rocky beach, flying in small planes and helicopters, and occasionally hiking at high elevations. If you have concerns about your own capabilities, and/or fitness as it relates to a trip, please inquire with our office before reserving a space. **By forwarding trip deposit, you certify that you do not knowingly have any physical or other conditions that would create a risk for you or other trip participants.** We reserve the right to request a doctor's statement of good health. The company's or trip leader's judgment shall provide the ultimate determination of an individual's ability to embark upon or to continue a trip. Once a trip has been confirmed, medical circumstances will not be considered as exceptions to our cancellation policy. **We assume no responsibility for medical care or for special dietary requirements.**
2. **INSURANCE** All participants are strongly urged to purchase travel protection insurance. **Evacuation insurance is MANDATORY on most trips—please contact our office for details.** Our office will contact you after your enrollment confirmation to provide travel insurance options. Emergency evacuation insurance is required, and travel insurance is strongly recommended. You will be given a quote for this insurance, and additional coverages are provided by Travelguard at no additional charge when insurance is purchased within 14 days of the deposit date.
3. **CONTACT SCHEDULE** We provide personal telephone number(s) and/or email address so you can inquire regarding any questions you may have regarding your trip. We welcome your calls or emails.

4. **ADVENTURE SAFARI COSTS** Pre-departure information describes the specific costs that are included in your trip fee. Generally, these costs include lodging in double room occupancy, some or all meals, ground transportation during the trip in vans or small buses, and guide services provided. **Not included** are airfare or other transportation from your home to the trip staging location, airport departure taxes, insurance, alcoholic beverages and bar expenses (except tea and coffee provided), tips and gratuities to local guides, meal and baggage tipping, phone calls, passport or visa expenses, laundry or items of a personal nature. Gratuities to guides, staff and other support personnel are optional and always appreciated.

Single accommodations are available for a supplemental cost in many locations; call our office for details. You will be charged the single supplement fee if you desire single accommodations or if you wish to have a roommate, but one is not available. In some remote locations, clients with single rooms are infrequently compelled to share a room due to circumstances beyond our control. In such cases, appropriate per diem refunds will be made reflecting the direct cost of the single room at the facility where clients are required to share.

Cost increases may occur unexpectedly due to rising costs of airfares, ground transport, fuel surcharges, government permits or fees, accommodations, and currency fluctuations, among others. This is a very unusual circumstance, and Adventure Safari Network may be compelled to amend prices, and we reserve the right to do so without prior notice. An increase in trip prices shall not be sufficient grounds for any refund of funds paid for the trip other than as determined by the terms of our cancellation policy.

1. **LOGISTICS** Whenever possible, our trip participants are lodged in comfortable, modern facilities. We select among the best available accommodations, but refrain from extravagance. Some interesting destinations are far removed from modern amenities, however, and where necessary, we will be accommodated in rustic country inns, cabins, or tented camps.

Meals are always a special part of our trips for the camaraderie they engender and the opportunity they provide to try new foods from different areas. Depending on the trip and specific locale, participants order restaurant meals from the full menu. Some trips include picnic lunches in the field. Fruit juice for breakfast and

coffee or tea are included with the meals. Soft drinks are included with meals on tours within North America. Participants are responsible for their own bar tab (including bottled water, soft drinks, and alcoholic beverages on tours outside of North America) at restaurant lunches and dinners.

Our itineraries are intended as examples only. Participants should allow for flexibility due to changes in weather, natural events, cultural events, or other logistical arrangements deemed necessary by Adventure Safari Network or our leaders.

1. **RESPONSIBILITY** Adventure Safari Network and/or its Agents act only as agents for the passenger in regard to travel including, but not limited to, sightseeing, meals, lodging, transportation, and all other services whether by railroad, motorcar, motor coach, boat, ship, or aircraft and they assume no liability for injury, damage, loss, accident, delay or irregularity which may be occasioned either by reason of defect in any vehicle or for any reason whatsoever, or through the acts or default of any company or person engaged in conveying the passenger or in carrying out the arrangements of the trip.

Adventure Safari Network and/or its Agents can accept no responsibility for losses or additional expenses due to delay or changes in air or other services, sickness, weather, strike, war, quarantine or other causes. All such losses or expenses will have to be borne by the passenger, as trip fees provide for arrangements only for the times and locations stated. Baggage is at the owner's risk entirely.

The right is reserved to 1) substitute hotels of similar category for those indicated and to make any changes in the itinerary or transport where deemed necessary or caused by changes in air schedules or equipment substitution; 2) cancel any trip prior to departure, in which case full refund of the paid trip funds will be given, but Adventure Safari Network is not responsible for any other trip preparation expenses such as penalized or non-refundable air

tickets ,visa fees, and medical related expenses; 3) if a group leader has been named, we may substitute trip leader(s) for the leader(s) originally specified, in which case the substitution is not a basis for participant cancellation or refund other than provided by our normal cancellation policy; or 4) accept or retain any person as a member of any trip.

Trip prices are based on tariffs and exchange rates in effect at the time of release and are subject to adjustment in the event of any change therein.

A Release and Assumption of Risk form must be signed by each participant prior to the commencement of the trip. Participation by any trip member will be declined in the absence of the signed release of liability form, with no trip fee refund. No modification to the terms of the Release and Assumption of Risk form will be accepted.

Should the Adventure Safari Network or anyone acting on its behalf be required to incur attorney's fees and costs to enforce this agreement, the enrolling trip participant(s) agree(s) to indemnify and hold them harmless for all such fees and costs. In the event a lawsuit is filed, the enrolling participant(s) agree(s) to do so solely in the County of Ogle in the State of Illinois. Certain ship owners require the use of pre-printed ticket forms that limit the ship owner's and operator's liability. When such tickets are used, the passenger is bound by the terms of these tickets with respect to the passenger's legal relationship to the owners and operators of the ship, their agents (Adventure Safari Network), and the ship's crew. The payment of a deposit or any part of full payment for reservation on any trip shall be deemed to constitute consent to the conditions contained herein.
